Welcome to Morocco, we propose a 100% asphalt route, which begins and ends in Agadir and in which we will travel a total of 950 km to Tafraout and return, in 3 days on a motorcycle.

On the trip we have practically everything included, you just have to think about enjoying and discovering this beautiful country on the incredible Tenere 700.

We will sleep in good hotels, we will have a guide on his own motorcycle who knows the terrain perfectly, we will have a 4x4 that will take our bags from hotel to hotel and much more.

Do not hesitate and come with us.

Remember that to be able to do this route you need a minimum group of 4 riders, but if you are alone, tell us and we will try to put you in a group that is already formed.
