When we hear Vietnam, the war with the US always comes to mind, but this country is much more than that ... These types of countries stand out for their people, their culture, their landscapes and way of life. In order to enjoy it in a different way, we propose it to you on two wheels. When you go on a motorcycle all the sensations multiply: the smiles and the looks of the people, the smells, the colors, the wind, the towns ... at that moment is when you really feel that you are living and interacting closely with the environment, and if there is a perfect country to have this experience that is Vietnam. Do not miss it, come with us to discover this incredible country on a classic 650 cc motorcycle

1 - Hanoi - Hanoi - 0

We fly to Hanoi. Upon our arrival at the airport a private vehicle will be waiting for us to transfer us to our hotel in the city center. Depending on the time we arrive, there will be time to take a walk around the city, assign the bikes, tour briefing and welcome dinner. Tomorrow we start engines!

2 - Hanoi - Ba Be Lake - 210

Today we will start soon and we will have to leave the city in the crazy (but fun) Vietnamese traffic. We will start by taking the highway for a while to enter the rural areas and we will continue driving through local roads. We will stop for lunch at a local roadside restaurant. Today we will sleep in a Home Stay (local house) and almost without realizing it we will already be immersed in the culture of this incredible country.

3 - Ba Be Lake - Đồng Văn District - 220

Today we have a long motorcycle day ahead of us. We will go through narrow and quite broken roads, even some section of track, and from here we will pass a very rustic bridge that barely fits a motorcycle! We will have a picnic lunch and we will continue the route going up to more than 1,500m high through beautiful ports with spectacular views. We will sleep in a good hotel with local dinner.

4 - Đồng Văn District - Hà Giang - 150

In the morning we will have time to take a walk around the town and maybe do some shopping. We resume the route on a calmer day, but full of mountain roads and very twisty where we will cross countless valleys. Today will be a great motorcycle day in which we can take many beautiful photos. Lunch on the road and arrival at the hotel in the afternoon.

5 - Hà Giang - Ecolodge Panhou Village - 80

After a few intense days, today we will do the quietest day of the tour. We will roll along the national road and some more valleys to get to eat at our destination, a curious Resort with very cozy cabins, where you can enjoy a massage and receive a hot bath with magical herbs.

6 - Ecolodge Panhou Village - Bắc Hà District - 120

After this late night of relaxation we have had and a good dinner we continue heading west towards Sapa, but first we will, in Bac Ha where we will arrive by beautiful narrow mountain roads. Dinner and accommodation at the hotel.

7 - Bắc Hà District - Sa Pa - 150

Today our destination is the famous city of Sapa, surrounded by rice terraces. Halfway through we will have a coffee in front of the Chinese border, and we will have time to lose ourselves in the streets of Sapa and do some typical purchases of Vietnamese products.

8 - Sa Pa - Hanoi - 400
We left Sapa by a little known but very beautiful route, to go to Lao Cai, one of the most important cities in the country bordering China. Here we will arrive at lunchtime. We leave the bikes, time to see the local market, eat, and return to Hanoi by van. We will arrive at the hotel late in the afternoon, shower and dinner in very curious local places.

9 - Hanoi - Hanoi - 0
If the flights allow it, we will have the morning to visit the main tourist attractions of Hanoi and do the last purchases, before flying back home after a spectacular week on a motorcycle through this incredible country !!
