Come with us to get to know the Canary Islands archipelago, an adventure through three of its islands with the greatest biodiversity. Gran Canaria with its coasts, full of beaches, cliff routes and mountain viewpoints, will be the beginning of our tour, continuing to Fuerteventura with more than 340 kilometers of coastline and its wonderful sands ... beaches and dunes. Then, we will travel to Lanzarote the island of another planet !, like being in a lunar landscape without an astronaut suit, a totally volcanic island, which invites you to know its fire mountains. It is also known for its unique wines, since they are produced with the grapes that are harvested inside volcanic craters.

Our routes were designed by professional two wheel experts , of recognized trajectory, adventurers of these locations, connoisseurs of each one of the corners of these islands, which allows us to guarantee you a unique experience so that you travel and fully live the diversity and majesty of its geographies.

We offer you an all-inclusive service, which is structured to provide you with the highest level at every moment of our adventure. Our state-of-the-art KTM ADVENTURE 1290 and our business partners guarantee you a priority and exclusive treatment from the moment you contact us. All this adds to our experience and life in the Canary Islands that allows us to take you beyond any other experience on the islands, your comfort and satisfaction being our premises.

1 - Gran Canària - - 0

Welcome and dinner! We will pick you up at the airport of Gran Canaria to take you to our concentration hotel the first of the 4 star hotels where you will be staying, which is located in Maspalomas, one of the most touristic areas of the island where you will find restaurants, shopping centers, casinos, amusement parks, among other sites of interest. In the evening you will enjoy a wonderful dinner, then participate in the briefing meeting of our adventure.

2 - Gran Canària - Fuerteventura - 250

The driving day arrived! We will go in search of our KTM ADVENTURE , we will verify everything before leaving for our first route in Gran Canaria. We will start a tour of the south of the island, starting with Maspalomas, continuing along Playa del Inglés, San Agustín, among other towns in the coastal area of the island. We will border the south coast to enter mountain villages such as El Ingenio and Agüimes until we reach the Guayadeque Caves, home of the Guanches, the first inhabitants of the island, also known as Canarian aborigines. We will continue to Tejeda, a mountain town that stands out not only for its architecture but for its stunning views towards the mountains and the nearby island of Tenerife, where you can see the Teide Peak. That is why it is the ideal place to make our first gastronomic and relaxing contact. We will continue our multi-climatic route to places of roads full of rock formations in the Artenara area, entering the National Park of Tamadaba, an area declared as a Biosphere Reserve by UNESCO and one of the territories of the island less altered by man. Then we will continue via Fagata, again to reach the south coast where we will find tourist paradises such as Puerto Mogán and Puerto Rico and thus, end our first tour returning to Maspalomas.

3 - Morro Jable - Corralejo - 250

A new day, a new adventure! We will drive our KTM ADVENTURE to the ferry port of Santa Catalina, where the support vehicle will be waiting for us, with everything ready to embark to Fuerteventura, the oldest island in the Canary island archipelago, with around 340 kilometers of coast, gathering excellent conditions to undertake route between volcanoes, cliffs and beaches. We will arrive at the port of Morro Jable from where we will start our tour, leaving luggage and hotel registration to our staff. We will begin our route through an amazing arid road until we reach Jandia, then through Costa Calma, one of the favorite places for tourism.We will continue along the coast observing unique landscapes that will allow you to lose yourself in the distance until you reach Tarajalejo and in this way Enter the interior of the island through the typical villages of the area, returning back to the coast in Las Salinas del Carmen, a small and charming town by the sea. We will continue our journey towards the north of the island, passing through Puerto del Rosario until we reach the Natural Park of Corralejo, a unique place where you can have on one side the wonderful sea and on the other an imposing desert. Los Lavaderos, Caleta del Bajo and El Viejo Beach will be part of our tour, and then end the day arriving at our concentration hotel in Corralejo.

4 - Corralejo - - 0

A day for you, we want you to relax enjoying the advantages of staying in a 4-star hotel on the beach, we will offer you a courtesy massage so that you are renewed and charged with energy to continue with our adventure, or if you you prefer, you can go out to explore the area on your own.

5 - Lanzarote - Lanzarote -

The island of another planet! We will move to the port to take a short-distance ferry to the island of Lanzarote, also known as the island of the volcanoes, where nature, art and culture are integrated. Upon arrival, we will begin our journey from Playa Blanca to the north of the island, traveling by internal roads until we reach the town of Uga, where we will begin to glimpse amazing

landscapes of vineyards grown in volcanic sands that emerge from large craters on the earth and shape to a characteristic lunar landscape. Then, we will arrive at San Bartolomé, where we will enter the volcanoes of the area to later go to the Tahìche mountain and its surroundings. We will continue in the direction of the Cactus Garden, making a brief visit to this place and thus get to know the last great intervention of the Lanzarote artist César Manrique, a magnificent botanical garden made on an old quarry. We will continue in the direction of the Jameos del Agua, where we will taste typical dishes of the place and then to the Mirador del Río at the north end of the island, which will allow us to again take the route towards the interior via the César Manrique House-Museum, continuing to Tiagua and Mancha Blanca, where we will be riding in the middle of volcanic formations to the town of Yaiza to join our route and arrive again at Playa Blanca where we will stay at our concentration hotel.

6 - Lanzarote - Gran Canària -

Transfer and relax day! We will take a ferry back to Gran Canaria, where you will have the opportunity to rest and share your experiences with the group. We will arrive at the port and then go directly to the concentration hotel.

7 - Gran Canària - Gran Canària -

Continue the Adventure in command of your KTM ADVENTURE! We will begin our adventure towards the North of the island, leaving very early along the coast via San Agustín to quickly reach Telde and start a path of volcanic and wooded mountains, where you will find a great contrast of landscapes that will surprise you. We will start by Arucas and Gàldar, coastal roads that will guarantee us an unforgettable experience on its cliffs until we reach Agaete and enter the area of the Risco Mountains, continuing towards the Village of San Nicolás, passing through the "Los Niños" Reservoir until reaching San Bartolomé de las Tirajana and enjoy a fantastic Canarian lunch together. We will return to the road between mountains via Santa Lucia, continuing through Agüimes until we finish the route at our base, where the support unit will ready to transfer you to the hotel and enjoy a closing dinner with us.

8 - Gran Canària - -

Ready, and full of great memories to share! Our support team will facilitate your departure from the hotel and airport transfers for your return home.
