Albania, is one of the forgotten countries of Eastern Europe, in any case, it is a totally Mediterranean country, with good food, good weather, and incredible mountains to practice our sport, Enduro! We propose a trip of 7 days in total, 5 of them on Husqvarna 350 cc enduro motorcycles of 2018 in which we will discover routes and paths that very few tourists have the opportunity to know, we will eat traditional food and in abundance, we will sleep in good hotels and of course we will have a team of professionals helping us at all times.

If you are willing to discover Albania in a completely different way, do not hesitate and come with us!
