The trip of a lifetime. Dogashima's wonderful nature and relaxing hot spring, breathtaking view from the Ashinoko Skyline and Mount Fuji, the symbol of Japan, will be some of the main features included in this iconic motorcycle tour. This tour is specifically made not only to let you enjoy motorcycle touring in Japan, but also some unique pieces of Japanese culture as well. You of course will enjoy classic Japanese pattern like hot spring's relaxing water and made fresh sashimi, but you will also be able to try the uncommon experience of wasabi's harvest on an authentic Japanese wasabi field. You will be also enjoying some of the greatest historic treasures Japan can offer you, like the Owakudani valley or the unique Oshino Hakkai. And then, the road: Izu Skyline's curves, the Kawazu Nanadaru Bridge's astonishing loop and the romantic ocean view on the Bay Bridge.

You will understand the uniqueness of motorcycle touring in the Land of the Rising Sun.
