This once in a lifetime journey takes you from the emerald waters of Seattle, Washington through the visual splendor of the Cascade Mountains before ascending the Canadian Rockies to bask in the natural beauty of Lake Louise and Banff, Alberta. From Canada we will cross back into the United States through the razor sharp peaks of Glacier National Park and the majesty of Yellowstone National Park and her most cherished treasure, "Old Faithful". Our journey culminates with a ride through the stunning landscapes of Southern Idaho and Northern Utah, and a possible journey to one of North America's most unique landscape – the Bonneville Salt Flats.
