Epirus is located in the north-west part of Greece, between the mountain range of Pindos and the Ionian Sea. Its imposing mountains and the rivers which are traversed by wonderful arched stone built bridges create the perfect landscape for our motorcycle tour.

Ioannina:

Ioannina, the capital of [Epirus](#), spreads out around the imposing Lake [Pamvotida](#). Its still waters and the nameless [small island](#), create a wonderful collage of colors around which the entire area lives and breathes. Ioannina was always multicultural, dominated mainly by Christian, Islamic and Jewish influences. This coexistence of cultural influences is clearly evident in the historic city center. Wonderful buildings like the House Matei Hussein, the Ottoman mosque of Veli Pasha and the entire historic centre of the town are unique attractions.

Zagorochoria:

A land where natural beauty exceeds imagination. Zagorohoria are considered to be some of the best-preserved villages in Greece. Our motorcycle tour will guide you through some of the most popular and scenic of them. The cosmopolitan Aristi, the mysterious Papigo, the scenic Kipoi with the famous stone bridges, the serene Monodendri and the enigmatic Vovousa are just some small examples of the places that we will visit.

Valia Calda:

We will tour through the “Warm valley” considered to be one of the most attractive destinations in Europe! We will admire the high, impressive mountain ranges, the densely forested slopes and the amazing natural landscapes. The entire motorcycle tour, trails in a truly magnificent unspoiled paradise that will definitely heighten your senses and leave you craving for more!

This guided motorcycle voyage is structured to offer truly heavenly sceneries and utopian landscapes of the Greek countryside, unparalleled beauty villages, magnificent stay and amongst the best local cuisines in Greece!
