Start from Lhasa and cross the hinterland of Ali and Qiangtang grassland, head for the most beautiful lakes. You can see various lakes, holy snow mountain and wild animals along the route with average altitude of 4,500 meters, moreover, the passes with altitude above 5,000 meters can be seen everywhere. Need to ride a long distance from one staging post and accommodation to the next one because of this is a secluded region.

Not everyone has the opportunity to see the most magnificent scenery. This tour will be a challenge to riders' courage and willpower, your motorcycle tour experience must be enhanced by this tour.
