This time we propose a route from Roses to Hondarribia, but 100% off road ...
We know that it is one of the routes most appreciated by motorcyclists, but most of the organized routes tend to run by road... This is not our case.
We propose it 100% off road
We will drive 1,400 km through the most beautiful areas of the Pyrenees, we will sleep in good hotels, we will have a 4x4 for assistance, a guide on his own motorcycle and much more ..
This route is designed for groups of 6 or more participants
It is important to know that once in Hondarribia each client must plan to return home on their own.
(If it is a group of 6 or more, it is possible to hire a vehicle to transport the motorcycles back home ...
This will have an added cost to consult in each case)
