The most unprecedented and fantastic enduro or trail motorcycle trip you can do! It perfectly combines the difficulty of the stages and crosses the entire Iberian Peninsula through the most incredible landscapes, from the Mediterranean in Alicante, to the Atlantic in Galicia. The elaborate route, exclusively for enduro motorcycles, will surprise you every meter you do on it. The Sierra Aitana, Albarracín, Valdezcaray, Montes de Oca, Riaño, Piedrafita, Pajares, Cangas de Narcea, Lugo, Santiago and Fisterra overwhelm when imagining a route like this. Very well selected accommodation and gastronomy so that the end of the daily stage is worth it!
