The tour program describes the main attractions for the 15-day journey on the world-famous, legendary and historic U.S. Route 66, also known as “The Mother Road”. Route 66 has throughout history been the road for migrants, dreamers, desperadoes and a whole generation of holidaymakers, who explored the road to the west. The 1950s were Route 66’s peak. Thousands of cars drove “bumper-to-bumper” to experience the western emigration route. Hotels, motels, and the “new America” grew up everywhere. Much of Route 66’s original roads, restaurants, gas stations, and nostalgic landmarks are preserved just as they were in the '50s. Hence the famous and nostalgic Route 66 is a heaven for motorcycle riding.
