If you want to discover an incredible country on a BMW Gs or KTM 790 cc, this is your destination. Kenya has it all, from endless plains to high mountains, a fauna and vegetation that you can not believe, an ancient culture, good food, and incredible people ... if in addition to all this we add a practically new BMW and a guide that has been in Kenya for more than a decade ... We have an incredible journey

**1 - Nairobi - Nairobi -**
We fly to Nairobi where they will pick us up to take us to the hotel on the outskirts of the city, Hermosa Garden Delivery of the GS 650 or KTM 790 motorcycles. Dinner and Briefing about the trip.

**2 - Nairobi - Meru - 280 km**
After a good English buffet breakfast, we will leave for the north highway towards Thika to divert to the national highway that goes to the east of the country. At the junction that goes to Embu we will take another asphalt and little crowded road that passes through an arid region, territory of the Kamba tribe, before reaching the foothills of the Mount Kenya. Surrounded by farmland we will ascend a road with many curves. We will stop for Picnic type food. Arrival in the afternoon to the city of Meru, where we will have dinner and stay at the best hotel in the Alba hotel area.

**3 - Meru - Nyeri - 220 km**
Early breakfast, departure at 8 am by paved road passing through the cultivation area of Khatt, the stimulating herb so famous in the region. Nearby is Isiolo, the city that supplies the entire northern region of the country where various nomadic tribes. From here we will return to Mount Kenya to surround it on its north face, In Nanyuki we will cross the equator line, thus returning to the Southern Hemisphere. We will eat in the terrace of the local airport that provides assistance to the Laikipia region. If the track conditions allow it, we will border the Solio Ranch, where you can see Rhinos and other animals wild. Arrival at the Colonial Aberdare Club Hotel for dinner and accommodation.

**4 - Nyeri - Kericho - 260 km**
Breakfast and departure to the Rift Valley Lake District. We will stop at Nyahururu for visit Thomson Falls waterfall, where several Tarzan movies were shot! We will descend towards the important agricultural city of Nakuru. Continuing east through the Mau Forest region we will arrive, crossing the highlands from the Kalenjin ethnic group where the famous Kenyan tea is grown, to the city of Kericho, where We will have dinner and spend the night at the Sunshine Hotel.

**5 - Kericho - Maasai Mara National Reserve - 250 km**
After a typical breakfast of the area, we continue our route, surrounded by tea plantations, towards the Masai Mara region. We will pass very close to Tanzania and have a picnic on the way. The The last 30 kilometers will be on a red dirt track to the Olololo cliff where you will find our hotel of huge luxury tents, Mara Engai Lodge, with views spectacular Masai Mara. Dinner and Briefing.

**6 - Maasai Mara National Reserve - Maasai Mara National Reserve - 120 km**
Today we will rest from the motorcycles to visit the Masai Mara reserve in all-terrain vehicles 6x6 owned by the hotel, descending to the reserve by its private road. Whoever wants to have the option of doing a sunrise balloon safari. (450 Euros per person). Picnic lunch next to the Mara river. In the afternoon we will continue in search of the fascinating and varied African fauna of this reserve, where It is possible to meet the 5 great animals of the savannah (Elephant, Rhinoceros, Buffalo, Lion and Leopard). Return to our hotel Mara Engai and dinner

**7 - Maasai Mara National Reserve - Maji Moto - 200 km**
After breakfast we will get back on the motorcycles, leaving for the town of Kilgoris by dirt track. 60 Kilometers. From here, by asphalt road, we will cross towards the east side of the masai mara reserve and up to Loita Plains, where we will stay at the Rustic accommodation of the Maasai community, Maji moto Camp. They are very basic cabins built in the traditional Maasai way and the reason we include this place in the route is to offer you an experience with the Maasai tribe, who will guide us on a small walk to the nearby hill to visit the hot spring that gives man to the Eco Camp, Maji Moto. Dinner and accommodation.

**8 - Maji Moto - Nairobi - 180 km**
Last day of the trip, we will return to Nairobi by the paved road that passes through the capital Masai, Narok, to continue towards the Rift Valley, ascending through a small port. We will enter Nairobi through the famous colonial neighborhood of Karen where we will stop to eat at the Talisman restaurant. Delivery of the motorcycles and transfer to the airport to take the flight back to home. End of our services.
