Precautions and tips to keep in mind

Mobiles: Isle of Man is part of the United Kingdom, so it is not a member of the European Union, for that reason we advise you to check your mobile rates to ensure you can use your phone on the island. If needed, a SIM card can be bought upon arrival. That allows you to navigate and make calls, its price is between 5Pounds sterling and 10Pounds sterling with 5GB of data.

Currency: Although it is not essential, and you can pay with card anywhere, it is advisable to carry some sterling in cash for small expenses. Two types of pounds are accepted on the Island: sterling and morning. The latter is only valid for Man, for that reason we advise you to always change your currency to British Pound.

Douglas: Incidents related to visitor safety rarely occur in the capital as well as throughout the Island, and it is considered a safe place to stay.

Tourism: If you wish and have time, Man offers great places to visit related to the motor: TT Museum (Isle of Man Motor Museum), Murray’s Motorcycle Museum, A.R. Motorcycle Collection, Jurby Transport Museum.
