A 4-day SIDECAR route discovering one of the most spectacular areas of Catalonia, the southern Pre-Pyrenees.

In this environment we will discover, the regions of La Garrotxa, Ripollès, Osona, La Selva, El Gironès and Pla de l'Estany converge.

Starting from Barcelona with our sidecars, and after traveling an exceptional route, we will arrive at an ancestral and exclusive 14th century farmhouse, where we will stay for 4 days. Exquisite interior design full of perfect details and beautiful corners, where dreams come true. A space surrounded by nature with a unique atmosphere, in addition to a large and beautiful garden, which merges with green meadows, surrounded by the magical mountains of the Vall de Bianya.

From this enclave, we will discover different routes in this part of the Pre-Pyrenees. Routes that cover spectacular and hidden roads, charming medieval towns, dream forests and amazing mountains. Pre-Pyrenean gastronomy is also an important part of this attractive route.

A route to share with your partner. Discover the magic and the pleasure of filming in SIDECAR through one of the most unknown and beautiful places in the Catalan Pre-Pyrenees.
