DRIVE A SIDECAR through the Beautiful Barcelona.

A route in SIDECAR Royal Enfield of more than four hours, discovering the most unknown places in Barcelona. A journey that goes from the sea to the mountains, only interrupted by an exquisite Vermouth with charm.

A stylish, different and unique duet tour of the Beautiful Barcelona on the back of our Royal Enfield Classic 500 with SIDECAR. Touring the most authentic Barcelona, the one that only we know.

Even if you are from Barcelona, you will love to rediscover your city and contemplate places where you have possibly never been.

As one of our clients said: "no matter how old you are, you feel like an artist that everyone greets and photographs."

Discover Barcelona in a different and unforgettable way, "the elegant part of the biker".
