Come on an unforgettable enduro motorcycle tour and discover the diversity of Georgia between mountains and deserts, from snow-capped peaks to tropical palm trees. The nature in Georgia is unique and original worldwide. There are more scenic contrasts on this small area of land than on entire continents. At the end of our exciting Enduro Tour you will surely agree with us that Georgia is one of the most fantastic countries on earth!

We pull through the landscapes on our enduro bike!

Put on your helmet, mount the motorcycle and the tour of discovery can begin. In Georgia, a small country with a total area of only 67,000 square kilometers (Germany in comparison: 357,000 km²), you will find 5000 meter high peaks, glaciers, mountain meadows and at the same time a subtropical coast, semi-desert, fertile valleys, wetlands and of course huge untouched forests. Join us on this multi-faceted tour!
