Come and discover Empty Spain. Or better yet, Emptied Spain. Because there is a huge territory in Spain that is totally empty, almost abandoned. Cycling between fields (now forgotten), riding through old terraces now covered with vegetation, you will discover another Spain. That of dispersed junipers in the highest steppe areas. And varied vegetation in the valleys: elms, poplars, willows, ash trees and poplars. And from time to time, vast and sprawling wastelands. And ravines and pastures, territory of herds... An exceptional territory.

Leaving from Teruel, you will cyclery for hours along the roads and tracks without meeting anyone outside the inhabited villages. You will arrive at beautiful towns, many of them almost uninhabited, where the bread is baked with firewood and the tomatoes for dinner have been picked in the garden a couple of hours ago... Beautiful towns like Albarracín, Mora de Rubielos or Rubielos de Mora They will show you a glorious past in this abandoned land.

The essence of Btt is to live an adventure like this, 7 days / 6 nights with a mountain bike, rolling between valleys and mountains, discovering a great variety of barren landscapes... among the extensive nature.
