Welcome in the new millennium in the less traversed corner of Europe. A smidge of a country, soaked in folklore, flanked by mythical mountains and trimmed with a cobalt blue coastline, this journey will pierce the heart, seep beneath the skin and stay with you forever. For years Albania hid from sight, locked behind a curtain of one cruel empire after another. Only recently, in 1991 did the fortress wall of communism finally crumble – leaving a diamond in the rough – a country so spellbinding in beauty and precious in nature, it truly must be seen to be believed. This whirlwind motorbike tour will take you from the paint-box buzzing capital to the final frontiers of the Accursed Mountains.

Soar along the untapped roads that roll beside the Albanian Riviera, where verdant mountains are held back by empty stretches of sand. Tear across alpine plains where rivers run cold and clear and horses gallop in the wild prairies. Pass through ancestral villages where traditional taverns welcome you with warmth and homecooked fare. Take one of the world's most majestic ferry rides along the winding fjords. Fall in love with a world untouched on this motorbike tour of Albania.
