Our journey to the 'Roof of Africa' commences near Port Elizabeth in South Africa's Eastern Cape, before heading inland and upwards toward the moutain kingdom of Lesotho. In the world's highest country (on average), epic roads and scenery await in what is as close to a riders' paradise as we have seen anywhere. Lesotho offers mile-upon-mile of non-stop cornering action on tarmac of the highest quality, carrying very little traffic. The dirt road riding is equally impressive, without being too technical or strenous for the average experienced rider. This is a real rider's tour, featuring full days of stunning riding through incedibly diverse landscapes.

Lesotho feels like a land that time did indeed forget. In the highlands, pony-riding Basotho tribesmen outnumber motorised vehicles by some considerable degree and young boys herd their goats among traditonal African 'beehive' villages. Vast lakes and spectacular mountain vistas are our daily companions as the tour makes its way between suprsingly plush overnight destinations in outstanding locations. During this tour there is the opportunity to ponytrek in the mountains, visit Southern Africa's highest single-drop waterfall, or relax on a trout stream. Clean, friendly, and astoundingly scenic, we can't recommend this tour highly enough.
