Join PMT company founder Colin Rowe to experience New Zealand, as he personally guides you on this 18-day tour, which gives you a close-up view of beautiful scenery ranging from rolling pastures to white sandy beaches to rugged mountains. You will experience riding through old growth sub-tropical forests, along sweeping costal roads, through rugged hill country, and lush pasture lands, while enjoying gentle sweeping corners mixed with twisty back roads.

Beginning & ending in Auckland you will ride through rolling pasture land, before riding the coasts and back roads of this riders paradise.

The roads in NZ are in good condition, with light traffic outside of the cities. Other than road repairs you will not be required to ride on any unsealed roads.

This tour is suitable for Intermediate or Advanced riders. Note: NZ drivers drive on the left-hand side of the road.

This exciting tour includes accommodation ranging from modern cabins to deluxe quality hotels.
