The Beydaglar mountain range which seperate the inland from the coast. High mountains are to be crossed, sight of wild horses on the way and breathtaking landscapes. Coast south of Kemer, will visit ancient ruins that are hidden in Laurel forests. Diving into the sea into the cristal clear water beach and fresh up before another great day of enduro riding.

All off them perfect evening with home made food, beer, music, deep talks at the fire.

The routine is very relaxed. After a good hearty breakfast, the riding starts from the tourist resort of Fethiye. After some local trails we head into the mountains, each day exploring a different area and different tracks. Lunch is at a mountain restaurant where we sample lovely local food and hospitality. In the afternoon we head back to the hotel, taking in the amazing views of the Mediterranean and the Taurus mountains.

The terrain in Turkey has to be seen to be believed, ranging from flat gravel tracks to extreme goat paths that will prove great training for the very best enduro competitor. We travel up to 200km a day (depending on the group) and adjust the difficulty of the route to suit the group’s ability.
