A MOTORCYCLE ADVENTURE BETWEEN THE MOUNTAINS AND THE SEA

This is one of the most exciting and best selling motorbike tours in Portugal. An experience you will want to repeat and experience with your friends. Known as the “Enduro Capital”, Costa Verde offers a wide range of trails making for a memorable off-road experience. The question is not what you will find in this tour, it is rather what you won’t find in this tour because this tour caters to every palate: mud tracks, gravel, rock, fast or slow, exhilarating or soothing to take in the amazing landscape. A fine mixture of mountains and sea.

The first challenge presents itself just as you leave the Basecamp, through quite technical trails, up river beds and streams. Three days on the move, making the most of the different terrains, through breathtaking sceneries, along age-old historic trails and coming across heritage sites hidden in the mountains. You will have the chance to be up and close to local wildlife, such as the wild horses, discover the most picturesque villages in the Minho region and obviously taste local delicacies.

Regardless of how experienced you are, you will never forget the endless adrenaline highs you will get riding your KTM motorbike, as well as the time spent at Basecamp, chilling around the swimming pool, socializing with other riders or with your family, or simply taking in the surrounding landscape and all its rich culture and nature.

An unforgettable adventure tour, and possibly one of the best off-road experiences in Portugal, combining great bikes, great trails, stunning natural landscapes, and local culture!
