ABOUT THE TOUR: A 12 days classic motorcycle tour including 10 days of riding. We start our tour with a ride on World Heritage Site Kalka Shimla Toy Train to Shimla which was once summer capital of British India. We start our ride in middle Himalayas riding up the satluj valley and taking a small mountain road crossing Jalori Pass thickly wooded with cedar trees and providing exceptional views of Himalayan ranges. From here we take a route for a sojourn in Manali which has an alpine feel. From here we launch ourselves into the Trans Himalayan region, taking a roller coaster ride crossing valleys, mountains and high passes into Ladakh. We stay at Leh which was once part of Silk route connecting India to this trade route across Karakoram ranges. While being in Ladakh we scale the famed Khardung La into Nubra valley where we enjoy a ride in sand dunes on bactrian camel and then taking ourselves to most beautiful Pangong lake. If you have not done this ride, seriously you need to collect this Jewel of a ride and add to your precious riding list.
