Other information

The client must pay a security deposit of $1000.00 usd deductible in case of any damage to the motorcycles caused by the client's responsibility. We do not need to have this money in our possession, it is enough that the person organizing the group has it. The most important thing is that each client knows it and responds to any damage caused to the motorcycle. If the sum of the damages caused exceeds that figure, The provider in Cuba will assume the difference. Clients will sign a contract of conditions for the use of motorcycles during their stay in Cuba.
Customer Experience Level must be Intermediate, in the program an average of 200 km per day is traveled with technical advice throughout the route.
