On this occasion we propose a route of 8 days in total, taking and traveling in Agadir and traveling to Chegaga and back

This will be a route on which we can discover the most remote and lost places of Morocco

On Husqvarna 450 cc 2023, we piloted across tracks, dunnes and tracks that you will see this country of a different way.

Always sleeping in good hotels, we have a guide for our guests and a 4x4 of assistance that we will lift the bags and will be prepared for any incident that we can survive during the road.
