There could be many reasons. That's why I'm presenting you with a unique opportunity: an **adventure motorcycle tour in Morocco**. A motorcycle trip through the Atlas and Sahara regions. Why? Because Morocco is a true paradise for enduro enthusiasts.

Just remember this: six days riding a KTM. Days spent traversing dunes, trails, paths, dry rivers, endless plains, gorges, and canyons. Sounds good? Well, that's not all. This off-road motorcycle tour is designed for you to enjoy motorcycling in its purest form, without ever sacrificing luxury and comfort. We offer the **best hotels where you'll spend your nights in Morocco**.

Moreover, **all meals are included**. Breakfasts and dinners in buffet style. You need to recharge your energy. During the rides, you'll have lighter meals to keep you fueled.

Route Plan for this Motorcycle Trip in Morocco

Your motorcycle tour in Morocco starts by flying to Fez. There, I will pick you up and take you to our base in Midelt. You'll meet our guide and his excellent team. They will accompany you on this journey.

But let's get to the point. What's the route plan for this trip? Very simple! **Each morning**, you'll **enjoy a good buffet breakfast**. Then you'll hit the road with your bike. Each rider can go at their own pace, as all **bikes are equipped with a Road Book and GPS**. This adds an extra layer of safety on the route. We avoid accidents by not forcing a certain pace. You'll take a **break every 50 km**. During these stops, we ensure that the group and the bikes are in perfect condition. **By the end of the day, you will have covered between 200 and 250 km**. How does that sound? Kilometers filled with adrenaline and memorable Moroccan landscapes.

This enduro motorcycle tour in Morocco lasts 8 days, from Saturday to Saturday. **You'll ride the bike for 6 days**, from Sunday to Friday. That same Friday, you'll return to Midelt after the ride. Finally, a minibus will transport the entire group to Fez. This will be your last night in Morocco. Don't forget to visit the medina of Fez el-Bali. It's the largest pedestrian area in the world and was declared a UNESCO World Heritage Site in 1981.

Today, you will head to the dunes of Erg Chebbi. You will make a loop around the great Erg, and if the guide sees it as possible, you will climb to the crest of the great dune in the afternoon. 6 - Merzouga - Erfoud - 170 km

First, you'll visit the Hollow Mountain. Then the ancient wells of Jorf and finally, the city of Orion.
