Two weeks driving through Australia seem enough if we consider everything we are going to discover along the way. Starting with the famous Great Ocean Road, through the Grampians National Park and in the Victoria Highlands. Roll through the majestic snowy mountains and up to the cultural center of Sydney.

We will also pilot the most famous wine producing region in Australia, and of course we will see several of the best beaches on the planet

On this trip we will discover all this and much more!

**1 - - Melbourne -**
