### ***A MOTORCYCLE TOUR WITH ADRENALINE, HERITAGE AND MODERNITY***

This Enduro tour begins in the Porto city center. After a short 15-minute ride up the banks of the Douro, at Serra de Valongo, the offroad experience begins through the famous trails of the Extreme XL Lagares.

A true haven for Enduro lovers, the mountain peaks of Serra de Valongo, with its very technical rocky trails and stunning backdrop, make for a thrilling ride. For the less experienced riders, alternative trails are always available.

For four days, you will enjoy the best enduro trails, riding the latest KTM motorbikes (of-the-year models) through river beds, and in some cases through streams, supported by experienced enduro guides who will lead you through some unbelievable places. At the end of each day, after all challenges have been met, everyone will feel like an Enduro hero and can experience a warming group dinner.

This tour will provide some unique experiences, not just in the mountains but while you are in Porto, a cosmopolitan city, known for its hospitality, food & wine and diverse cultural life. The mix of heritage and modernity makes Porto a city filled with charm and contrasts. A vibrant destination where amazing restaurants and excellent Douro wines are never far, as well as an internationally renowned nightlife.
