We propose this motorcycle tour from Copenhagen, arriving in Cape North and returning to Copenhagen.

This tour will be of **17 days and 16 nights** in which we will do an average of 550 km per day aprox. We will have a guide on his own motorcycle (speaks English and Spanish) support van where to store luggage and with space for some companion.

An unforgettable route that you can do on your own or rental motorcycle.

The **North Cape** (Nordkapp), located on the island of Mageroya, like many other places in the world, is a mystical place, it is the most northern point in Europe. At this point the Atlantic Ocean and the Barents Sea meet, which is part of the Arctic Ocean. Some of the most famous visitors who have passed through the North Cape are King Oscar II of Sweden and Norway in 1873, or King of Thailand Chulalongkorn in 1907 while studying forest science. And it is said that in the 17th century Galileo Galilei visited the North Cape when he studied the northern lights. In 1956 the road opened to the North Cape. This road, according to weather conditions, remains closed, although it is normally open from May to October.

It is the **challenge every biker wants** to make, a trip to this point to observe the so-called midnight sun, before heading south through the spectacular Norwegian fjords. An adventure that must be done at least once in a lifetime. **Get ready for summer!**
