Other information

Participants must arrive 2.5 hours in advance at the ports, both in Santander and Liverpool for the outbound journey, and Douglas and Plymouth for the return journey. These schedules may vary depending on the TT organizers. IMPORTANT: In the last two editions of the Isle of Man TT, we have detected an increase in motorcycle theft attempts in the "between-ferries" section from Portsmouth to Liverpool and back. Both hotels have underground parking available for a direct payment of 10-15 pounds per motorcycle. All rooms at the Village TT have two single beds with real mattresses and bedding. The rooms at the Chesterhouse Hotel have double beds. Please check the availability of Twin beds. Comfort: There is a bathroom with a large shower cabin, toilet, and sink. Hot water is supplied by a dedicated water heater for each room.
Each room also has its own dedicated heating with in-room controls in case the weather worsens.
Meals: All guests can enjoy a complimentary continental breakfast (croissants, cereals, toast, yogurt, fresh fruit) from 07:00 to 10:00 am every morning. Tea and coffee are available all day.
Connectivity: The Isle of Man is not part of the United Kingdom (this attracts many visitors) and some UK mobile phone companies charge very high roaming rates, especially for data usage. Guests at IOMTT Village can enjoy free Wi-Fi on-site during their stay.
Charging: Keeping devices charged is vital if you want to take selfies with the riders, check the latest weather forecast, or stay up to date with social media. All rooms have plugs for mobile phones, iPads, and camera batteries.
Please don't forget your travel adapter if coming from outside the UK or Ireland. Location: The pop-up hotel is ideally located for both the paddock area and the waterfront entertainment.
Easy to find from the Maritime Terminal, IOMTT Village is located on Victoria Avenue, across the street from Nobles Park, where the TT paddock is located. Representatives: A Duke Travel Representative is on-site 24 hours a day. Additional representatives are available during breakfast to answer any questions, book tours and grandstand tickets, and generally ensure you have the best possible stay. Please drink responsibly.
The TT Pitstop closes at 11:45 pm. There is free parking for cars and motorcycles in the same meadow. There is 24-hour security service.
Take precautions in restaurants and gas stations during the transition between Portsmouth and Liverpool and never leave the motorcycle out of sight.
The stay in MAN is very safe, as the ferry controls to Man act as a filter, so we have not detected any motorcycle theft attempts. In the MAN hotels, both Chesterhouse and Rutland, located on Douglas' Queens Promenade, all of Victorian era, they do not have a basement for parking, so motorcycles are parked on

the sidewalks in front of the hotel.

Remember to remove valuables at night and equip yourself with a lock or wheel clamp; otherwise, it is a very monitored area and, as we have mentioned, there have been no theft attempts on the island in recent editions.
